In order to deliver our products to you faster, we have introduced a Premium Ordering Process.

How it works:

- The new process is based on ordering pre-packed System Kits for INERGEN & IG-55. These are available for a range of systems and can be dispatched quickly.
- System Kits are available for system designs with 2 – 20 80L container assemblies and 2 -10 140L container assemblies.
- Orders placed by 12pm noon (UK time) 1.00pm (CET) will be dispatched from the factory within 3 working days.

For more information please
contact your local Sales
Representative and receive your
personalised ordering template.
